

“CRTechnical Staffing finds only the highest caliber individuals, and matches them with world class companies.”

The people you need.

ENGINEERING. IT. MANUFACTURING. SALES. MARKETING. MANAGEMENT.

Now, more than ever, it is imperative your professional staff be on top of their game. Finding the best fit for your need is what we do, and have been doing successfully for over 30 years.

One call is all it takes to identify people with:

- unique skills
- specific backgrounds
- proven track records
